PANDEMIC PROTOCOLS

Jesus said, "I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another. By this everyone will know that you are my disciples, if you have love for one another" (Jn. 13:34-35). And the Apostle Paul reminds us that love "does not insist on its own way" (1 Cor. 13:5).

Please know that the Congregation Council will continue to review our pandemic protocols regularly and adjust them as necessary. The following protocols are in effect at this time:

- Wearing a mask during worship is optional at this time.
- There are three tiers of seating safety: (1) The pews on the main floor of the nave are open for family groups. Please consider your physical distance. (2) The back two rows of seating on each side (4 family groups) are marked and reserved for those wearing masks and needing more distance from others to feel safe. (3) Upstairs balcony seating (font side) is available for masked non-singers.
- Members are reminded to maintain some physical distance when visiting with one another, especially before and after worship service.
- The Wednesday Holy Communion Service is always a spoken service and is the safest.

We do things like get vaccinated, wear face coverings, maintain physical distance, and curtail our singing for the sake of one another. While these actions may be inconvenient or uncomfortable, we seek to live out our love for our neighbor, in faithful obedience to our Lord, Jesus Christ.
